CHAIRS REPORT: David Thomas

Thomas called the first meeting of 2010-2011 to order at 3:15p.m. He welcomed new members and returning members. He introduced and thanked the Chairs for the upcoming year for serving: Anita James for ICC, Greg Kremer for Programs and the new chair of Programs, Rob Brannon.

Thomas informed the Council that the General Education Committee of UCC, approved last May will be implemented. It will remain a small committee consisting of sub-committee chairs, David Ingram, an undergraduate student and two additional UCC members.

Thomas announced that the 1804 Grant to research models of General Education was granted. It was funded for one year.

Thomas noted the revised agenda and suggested that it be tried a few times.

Thomas thanked all those who worked through the summer to handle Q2S curricular changes.

Thomas introduced David Ingram who presented the draft Guidelines for Academic Program Review from the Board of Regents which had been presented to the Ohio Faculty Council. It shows how the Regents reviews applications to changes in Programs and includes rules about General Education, faculty credentials and teaching load among other subjects. Ingram will email a copy to anyone interested in it. Paulins will take any questions back to the Ohio Faculty Council. The document will be posted on the UCC website.

Thomas introduced Jeff Gieseey who updated the Council on the progress of the Q2S binders.

Thomas called for approval of the June 8, 2010 minutes. It was noted that the Higher Education name change was for an area change and not a degree change so it will not have to be approved by the Board of Regents. It was noted that the Bachelor of Science in Applied Management does not have to go to Board of Trustees and Board of Regents. Cutright moved and Scanlon seconded. Minutes approved as amended by voice vote.
